# Overview

Export Google Chat history to HTML, TXT or CSV. Download and backup Google chats with media.

That project decision from three months ago? The client approval buried somewhere in a group chat? You can export it in about 10 seconds.

Chat History Exporter grabs your full Google Chat conversations, images, videos, documents, file attachments and all. Pick a conversation, pick a format, click export. Done.

What you get:

- ★ DMs, group chats, Spaces. All exportable.
- ★ Three formats: HTML (keeps the original look) TXT (plain text, easy to search) CSV (clean columns for spreadsheets)
